Free choice of colour for decorative stitching. The natural look and feel of the Audi exclusive Natural leather provides a luxurious character. Colour is only applied to the leather "in the drum" without any subsequent colouring, and the leather retains its natural grain.                      This leather therefore offers very high breathability and ensures great seat comfort.                      The natural material may display minor deviations in terms of colour, and over time a characteristic patina is formed.</p>	PYO	▪	▪	▪	▪	447	447
